

Fancy joining a short mission trip to the Diocese of Western Tangynika, Tanzania in the first half of 2019

Come and hear what is involved from

Rev. Canon Helen Sammon on

Tuesday November 13th at 7:30 pm in church

This diocese has a strong link with Gloucester Diocese and we at St Philip and St James are newly committed as one of our global mission links to supporting theological students at Kasulu Bible college (see notice board for photos, map etc) and potentially developing a parish partnership with one of the churches. Helen has been closely involved in fostering the links between the 2 dioceses, knows the place well and would love to take a group from St Philip and St James. It is a fantastic opportunity for us to experience a vibrant and fast growing church. There will be so much to learn as well as give. Helen sums up the experience as 'totally inspiring.' So don't miss the opportunity at least to come and hear more!

Anticipated all-inclusive cost for 2 week trip including travel there and back is £700.

If you are at all interested, please let Miriam Davis know asap (no commitment necessary at this point) in order to help us in initial planning particularly of dates.
